THE REUNION COMMITTEE WISHES TO EXPRESS OUR GRATITUDE TO EVERYONE WHO HELPED TO MAKE OUR REUNION SUCH A SUCCESS. WE ALL WORKED VERY HARD AND DEDICATED A GREAT DEAL OF TIME AND ENERGY TO THIS MEANINGFUL AND SPECIAL OCCASION.

News Events of 1966

April 12 - B-52 Bomber used for the first time on North Vietnamese Targets.

May 1 - US forces fire on Cambodian targets for the first time.

May 15 - 10,000 anti-war demonstrators picket the White House, while the pledges of 63,000 voters to vote only for anti-war candidates are displayed at the Washington Monument.

June 2 - Surveyor 1, launched May 30, makes the first US soft landing on the Moon's surface. The spacecraft sends back more than 11,000 televised pictures before its batteries go dead.

August 4 - US announces a draft call of 46,200...the highest ever...for October.

August 6 - Demonstrations against the Vietnam War held across the country.

November 25 - Texas Governor Jon Connally, wounded in JFK's assassination, reiterates his Warren Commission testimony for Life magazine. Connally swears that he was hit by a second bullet, and not the same one that had killed President Kennedy. Connally had been hit roughly 1.3 seconds after JFK; as Oswald's rifle could not be fired faster than once every 2.3 seconds, Connally's bullet would have to come from a gun of a second assassin. Life calls for the case to be reopened.

We remember them with smiles, and laughter,
and their spirit stays with us always,
with warm memories of them from yesterdays.

Everything Must Change

Everything must change,
Nothing stays the same.
Everyone must change,
Nothing stays the same.
The young become the old,
Mysteries do unfold,
'Cause that's the way of time
Nothing and no one goes unchanged.
There are not many things in life
You can be sure of, except,

Rain comes from the clouds,
Sunlight from the sky,
And hummingbirds do fly...

Winter turns to spring,
Wounded hearts will heal,
But never much too soon
Everything must change.

The young become the old,
Mysteries do unfold,
'Cause that's the way of time
Nothing and no one goes unchanged.
There are not many things in life
You can be sure of, except,

Rain comes from the clouds,
Sunlight from the sky,
And Hummingbirds do fly...
